

### DISCLOSURE STATEMENT

IN ACCORDANCE WITH THE CREDIT AGREEMENT FOR OPEN CREDIT IN REGARDS TO USE OF THE AGRICARD, THE INFORMATION IN THIS DISCLOSURE STATEMENT IS SUBJECT TO CHANGE BY DESJARDINS FINANCIAL GROUP ("DESJARDINS GROUP").

THIS DOCUMENT APPLIES TO THE CARDHOLDER'S AGRICARD ACCOUNT AND EACH CARD ISSUED ON THIS ACCOUNT.

Effective Date: December 7, 2013

#### INTEREST RATES AND CALCULATION OF CREDIT CHARGES

##### Regular Purchases

Credit charges shall not apply to regular purchases appearing on the statement of account provided that the balance of all indebtedness and accrued credit charges is paid in full by the due date shown on the statement of account. If the Cardholder makes a partial payment only, then credit charges accrue on regular purchases appearing on the statement of account based on the average daily balance on account of regular purchases from the date of each purchase until the purchases are paid in full, at the annual interest rate in effect for the period covered by the statement of account. However, if the total balance outstanding indicated on a subsequent statement of account is paid in full by the due date shown, purchases not yet paid shall be exempt from credit charges for the period for which full payment has been made.

Annual interest rate: **11.9%** or **15.9%** depending on the rate offered by the Federation.

**Deferred payment financing:** Credit charges on purchases made by deferred payment financing are calculated from the payment due date shown on the statement of account, until such purchases are paid in full. If the total amount of a purchase made by deferred payment financing is not paid in full on the due date shown on the statement of account, it is automatically converted into a purchase by way of equal instalments financing, repayable by equal consecutive monthly payments as to principal and credit charges at the annual interest rate for the equal instalments financing plan offered by the merchant in effect at the date of conversion.

Annual interest rate: in accordance with the financing plan offered by the merchant, up to a maximum of **11.9%**.

**Equal instalments financing:** Credit charges are charged on purchases made by equal instalments financing from the date such purchases are posted to the statement of account until they are paid in full, at the annual interest rate in effect for the financing plan offered by the merchant. Monthly instalments due for purchases made by way of equal instalments financing are included in the minimum payment for the period covered by the statement of account. If the Cardholder fails to pay the minimum payment required on the Due Date, credit charges calculated at the annual interest rate of the card (**11.9%** or **15.9%**) will be applicable on such monthly instalments (excluding interest charges).

Annual interest rate: **11.9%** or **15.9%** depending on the rate offered by the Federation.

##### LATE PAYMENT CHARGES

If the Cardholder fails to make the minimum payment required on the due date shown on the statement of account under the heading Minimum Payment Due, the Cardholder agrees to pay credit charges on any and all unpaid amounts calculated at the annual interest rate applicable to regular purchases (**11.9%** or **15.9%**). This annual interest rate is applicable regardless of the way the credit obtained is used. In the event of the cardholder being late in making any payment under this Agreement for more than 30 days, interest on interest will be charged on such outstanding balance.

With the exception of the interest rates applicable to purchases by equal instalments financing and deferred payment financing, the Federation reserves the right to increase the aforementioned interest rates. The Federation also reserves the right to amend the terms of this Agreement. In either case, the cardholder will receive 30 days prior written notice. Activation or use of the card after the expiry of the notice period will constitute acceptance by the cardholder of the amendments contained in such notice. Amendments to the Agreement do not affect the amounts due on the account.
